Texas Shorthorn Sale

In connection with the Southwestern Exposition and Fat Stock Show

FRIDAY, FEBRUARY 6th

**FORT WORTH, TEXAS
Exposition Sale Pavilion
1:00 P.M.**

30 BULLS

35 FEMALES

Top Shorthorns that have been carefully selected from 22 leading herds owned by breeders in Texas, Oklahoma, Indiana, Colorado and Iowa.

The bulls include 26 strong yearlings and two-year-olds, and four junior bull calves. Real herd bull prospects, big, rugged, heavy boned, good headed bulls for the rangeman and commercial producer. Included is the grand champion bull of the Texas State Fair and other equally attractive individuals.

The females include 20 bred heifers, 14 open heifers and 1 young cow with a calf at foot. Included will be females that placed high at the recent Chicago International Livestock Show. This will be one of the best opportunities to buy foundation females for new herds, or replacement females for established herds, that will be offered in the southwest this year.

All of these cattle have been entered in the regular classes of the Fort Worth Stock Show that will be judged starting at 8:00 A.M., on Thursday, February 5th, by Mr. Chas. Nickel, manager of Lynnwood Farms, Carmel, Indiana. These placings will determine the sale order with sale champions selected immediately following the breeding cattle show.

Everything sells T. B. and Bangs tested and fully guaranteed.

American Shorthorn Breeders' Ass'n. Guarantee

1. Proper care must be given by purchaser to protect qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later submitted.
5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's disease of the state or country into which they may be shipped.
6. Certificates of registry and transfers will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All animals sold in this sale will be backed by the above Standard Guarantee.

As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bangs Calfhooed Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.

MORA ELIZA — is being added to this sale as a special attraction. We considered her to be about the best heifer we ever consigned to any sale. Her breeding is the best as you can see. Her great granddam, Melba Eliza is by the great breeding bull Cruggleton Perfect. She has a very satisfactory show record this past season, being grand champion female at the Sioux Empire Fair, Reserve junior champion at the South Dakota State Fair, then with an age handicap stood third in a very hot class at the International. An opportunity to purchase the best in breeding and quality.
